

Bhote Koshi River Rafting

Bhote Koshi River Rafting has been termed as the steepest river rafting of [Nepal](#). With the origin of the river in the plains of [Tibet](#), this river follows the Araniko Highway joining the capital city with the Autonomous Region of Tibet via Khasha. The river offers a short yet adventurous journey from its steep sections as it originates from the **Lumi Chimi Lake** and, later joins with the Sunkoshi river.
